

RIBERA NORTE | VICENTE LÓPEZ

An architectural rendering of a modern, multi-story building with a rooftop pool and lush landscaping. The building features dark, horizontal slatted balconies and white railings. A large, rectangular swimming pool is situated on the rooftop deck, surrounded by a wooden deck and lounge chairs. The pool is flanked by dense greenery, including palm trees and other tropical plants. In the background, a park with a colorful playground and a tall, thin tower are visible under a cloudy sky.
